NOTE: Due to the volume of work required in filing a response to this Petition, which we are doing personally as we do not have a lawyer involved, we will not be able to provide much updates in this week's newsletter. This may be the case for next week as well. Thanks kindly for your understanding. This Petition to ban rallies in downtown Kelowna is one of the most vicious attacks on our freedoms in this province, and will affect everyone and is going to require much more work to ensure we file the best defence possible. Thanks kindly for your understanding.

David

PS May 23-26 are the next hearing dates for the falsified charges against me, at the courthouse in Kelowna. Now that everyone in the courtroom has seen the video of what really happened, even some media present were surprised at what occurred. I guess they were hoping for some wild fist fight that of course simply did not happen...as the video shows, THEY assaulted me. Thank you for all your support!

Our next protest/rally is set for:

May 6, 2023 12:00 Stuart Park, Kelowna

Update -- *Petition to ban Kelowna Protest/Rallies*

The Petition and supporting Gov't affidavits to ban our protest rallies have now been served upon David, on Monday at 4:30 p.m. There will be 21 days to file a reply under the rules.

All documents and pleadings are now placed on our website for public viewing: <https://clearbc.org/city-of-kelowna/> Details of our position cannot be released just yet, however it will be interesting to expose their corruption as we move along.

Once our responding materials are filed, we will post them on line as well.

Unfortunately, this case will have significant repercussions for every protest rally in British Columbia, and indeed, in Canada, as it is being heard in a superior court in the province.

Please stay tuned for more updates.

R v David Lindsay s. 266 Criminal Code Assault

After an incredible two days in court March 1st and 2nd, everyone finally got to see what the fuss is all about – and the shock even in the media was visible everywhere in the courtroom. Even opposition media, who came out in droves hoping to see some incredible fight scene to label me with, were amazed and dismayed at what truly occurred. The video, taken by one of our loyal supporters clearly showed that **THEY** (security guards) pushed into David, not the reverse. And more evidence is yet to come.

Climate Truth Action Group Goes Provincial - Takes Actions Against 15 Minute Cities and Digital ID's

The New RDCK “Climate Action Plan” is now public. The budgets tell us the framework of the future. Climate action plans, urban planning and land use by-law changes may herald in 15 minute cities and the social credit system. Involvement from everyone is needed. There are definite game's afoot

A newly formed multi-regional Climate Truth Action Group is taking action and inviting farmers, homesteaders groups and freedom groups across the province to sign up to attend zoom meetings to join the delegations forming across the province to ask questions and educate their representatives before plans are approved.

If you care about freedom, please join the team and zoom meetings which can be accessed through this link. You don't want to miss this first meeting scheduled for April 5th. Please pause your VPN to open this invitation. <https://conta.cc/42MjUmJ>

Fundraising and Donations

In the absence of rallies every Saturday, we don't get the funding we used to that allowed us to print all the resources we provide at the CLEAR booth, as well as the inserts that go into the Druthers newspapers for our Sunday paper deliveries. Thanks to your past donations, we have delivered over **8000** copies of Druthers, plus various inserts, in Kelowna and W. Kelowna, with lots more to go!

Future protests are being strategically planned right now for City Hall, the courthouse, and other locations.

Many people believe that the COVID-19 issue is over – and it is not. Freedom is a multi-generational struggle, where we hope to leave a better place for our children. Other serious issues are lurking ominously in the near future that we will need to focus on: 15 min cities; legal actions; digital ID and digital currencies to start. These will require ongoing research and production of signs and materials for public education. The digital ID and currency issues are two

of the most critical and going to involve significant amounts of education for people.

Please give generously by etransfer to: clear2012@pm.me or our endeavours to educate the public we will not be able to educate people as effective as we are doing now. You can also mail cash (this remains safe) by Expresspost to: P.O. Box 21113 Cherry Lane Mall, Penticton, BC, V2A 8K8. Cash of course, would be the preferred method to protect everyone's privacy.

These are unfortunately the only methods available right now to accept donations outside of the monthly rallies. Everything we do is on a volunteer basis and if you are not able to volunteer, your cash donation is what keeps the freedom wheel turning.

We do need volunteers to join our **Fundraising Focus Group**. If you are good at event planning and have some time to devote to organize regular fundraising occasions, please come see Linda at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me.

We need volunteers who are:

Proactive
Can work independently
Able to collaborate with others
Responsible and Dependable
Trustworthy
Enthusiastic
Result-Oriented
Committed
Motivated

If you possess these qualities and want to make a difference right now as a Freedom Activist, please add your name to the Volunteer List at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me to get more information.

Freedom requires time, energy or money. Thank you all for your help, in any form you are able to assist with. Everything you do for the sake of freedom is a seed planted. And although you may not see where it lands, trust that it will grow and bear fruit! Otherwise, why have the City, Province and Feds continually tried to shut us down?!! We are effective with one of the lowest vaccination rates in BC and Canada – **thanks to YOU!**

Sunday Paper Deliveries

**Next delivery
day:
April 23, 2023**

(Weather Permitting)

Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day

Make sure you arrive before the designated time so we can all get going ASAP!

Every Sunday at 11:30 am

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.
- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
 - Bring a large bag for carrying the papers if you want
 - Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
 - You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
 - We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
 - Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

- Sign up as a Volunteer to participate in one of the many focus groups we are working to organize. Most people are too busy to commit to fighting for freedom. I guarantee you will have plenty of extra time after Canada becomes a full-fledged communist country and your jobs & businesses are gone. Time to add freedom-fighting to your list of priorities. Much of the help needed can be done at home and even one hour per week will be helpful. Even if you don't want to join a specific group, maybe you have something you can offer to help out.
Let us know!

3 Simple Things Freedom Activists can do to WIN this War:

1. Spread the Word by delivering papers and flyers everywhere:
Knowledge is power!

2. Replace your cell phone with a flip phone:

Think of your apps as TRAPS!

3. Use CASH:

Hand out the “Use cash cards” and “pay cash” business posters

REMINDER

New Credit Card Fees & Lack of Privacy

It is starting - Use cash as much as possible - use credit cards or digital only if there is no other alternative.

Companies will not use digital currency if we are not using digital currency! It will cost them too much in lost business.

Here is an awesome poster you can distribute to all businesses to put on their entrance doors, advocating for the use of cash. Print on 8 1/2 x 11 glossy hard stock for best results.

For Business owners:

TO OUR VALUED CUSTOMERS

\$\$ PLEASE PAY CASH \$\$

WHY?

**TO AVOID BANK FEES
TO KEEP CASH ALIVE**

SUPPORT LOCAL BUSINESSES, NOT BANKS

CASH WILL WORK

**WHEN THE INTERNET IS DOWN
WHEN THERE IS A POWER OUTAGE
WHEN THE CARD READER MALFUNCTIONS
WHEN YOUR PHONE BATTERY DIES**

**WHEN CASH IS
ELIMINATED – SO
IS YOUR FREEDOM**

CASH IS KING – Use it or lose it – and your privacy

The dangers of digital gov't ID and currencies are here... you need to use cash as much as possible. As recognized by Freedom Rising, there are many inherent dangers of using digital currency. What do you do, not if, but when:

The internet is down

There is a power outage

The card reader malfunctions

Your phone battery dies or doesn't work for other reasons

WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:

Your phone is stolen

Your passwords are co-opted

Your credit/debit card strip is damaged – needs replacing

There are errors in relation to the quantum of \$\$ on your card

Gov't limits your purchases/CRA liens the balance on your card

AND MANY OTHER DANGERS

CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.

Suggestion:

Withdraw money on Saturday/Sunday from the bank or bank machine, and then leave your money at home if you are scared to carry it with you, and just carry the amounts of cash for each day's purchases for the week.

NO MORE CARDS!!!!

NO EXCUSES!

USE CASH \$\$\$\$\$\$\$\$\$\$

Get these cards below at the CLEAR booth to give out everytime you use cash - or print your own to hand out!

...

I bet they're using the bank run as a way of getting us into cashlessness. They'll say there's not enough cash to withdraw from banks, but we can still move stuff around digitally, because that won't cause a bank run.

And voila, instant cashless society.
CBDCs will soon follow.

Make Business sized cards to hand out at all your cash purchases!

I paid cash today for a reason 😊

1. To PROTECT OUR PRIVACY
2. To SAVE this business money on transaction fees
3. To GIVE this business more control over their profits
4. To SUPPORT my local economy and community
5. To KEEP my purchases and location anonymous
6. To KEEP cash alive!

Using cash can be inconvenient...but what if it's worth it?

Here is a 2-minute read, see what you think...

New signs???

Even though COVID-19 restrictions are, for the most part, no longer in effect, other freedom issues have arisen as gov'ts use the cover of

COVID-19 to introduce other more formidable liberty restrictions,
including privacy violations.

Freedom is a multi-generational struggle – our legacy is to leave a better place for our children, not simply to quit after an issue appears to be over and anger diminishes; and of course, it rarely is truly over.

We urge you to provide designs (clear2012@pm.me) and/or your own signs for upcoming threats, including Digital ID

Digital currency and no cash

Climate change fraud

Further health, property, rights and freedoms restrictions

The Canadian government has “zero credibility” regarding teaching other “countries about democracy and freedom,” stated President Bukele.

The rich industrialist was horrified to find the fisherman lying beside his boat, smoking a pipe.

'Why aren't you out fishing?' asked the industrialist.

'Because I have caught enough fish for the day.'

'Why don't you catch some more?'

'What would I do with them?'

'You could earn more money. Then you could have a motor fitted to your boat to go into deeper waters and catch more fish. Then you would have enough money to buy nylon nets. These would bring you more fish and more money. Soon you would have enough money to own two boats . . . maybe even a fleet of boats. Then you would be a rich man like me.'

'What would I do then?'

'Then you could sit back and enjoy life.'

'What do you think I'm doing right now?'
