## **MEDIA MERGER *Deja Vu*???**

Remember in the 80's when there was a massive newspaper trade off between Thomson Newspapers and Southam? Each agreed to shut down a newspaper in some cities, to permit the other to have a monopoly on the print news there.

Of course, committees did nothing and the Government approved it all.

*Deja vu* is here. PostMedia, who owns the National Post and has papers in most major centres in Canada, is now going to merge with Nordstar for one massive conglomerate controlling almost all your print media news in the near future.

If you think the media is corrupted now – just wait until only one company will control almost all print media in Canada. But don't worry, Andrew MacLeod of PostMedia claims:

*“The proposed merged entity would provide the best opportunity to ensure strong news media coverage for Canadians from coast to coast,”*

Of course, he left out the word, strong “*government*” news media coverage, as that is all we will get from them.

Support local media now!!!

# The Kelowna Courts of Injustice

## Update on last week's 4-day trial

### Kelowna Courthouse

***R v David Lindsay     s. 266 Criminal Code     Assault***

Judge Heinrich has now advanced the previously scheduled Dec. 13 hearing date for final arguments to Sept. 12, at 9:30 at the Kelowna courthouse. Judge Heinrich further has ordered me to provide my defences to the Crown by early July. The Crown can then file their reply. Like hell. I am not giving my defences away for a corrupt Crown Prosecutor David Grabavac to spend months contacting every prosecutor in the country to come up with some response. I have full answer and defence, and that won't happen if I have to give up my case to the Crown first.

So, we'll see what happens on Sept. 12 – will the Judge disallow me any defence arguments because I refuse to compromise my rights first?

The Attorney General in Victoria, has until around July 7 to provide me with her Motion to strike my Constitutional Challenge that the RCMP have no jurisdiction in the provinces. I will reply in kind to that motion.

---

## **Update -- Petition to ban Kelowna Protest/Rallies**

I am continuing work on our reply. My actual legal Response is now done, and I am working on my affidavit, and those who are going to support us. I estimate around 6-8 supporting affidavits will eventually be filed.

I had hoped to serve the Crown on Thursday with my Response and my affidavits as they come trickling in, however it appears the Rules will not allow me to do this, frustrating as it is. So, I will complete my Affidavit as soon as possible, and those of our supporters. One affidavit is now sworn in, others will be done this week and next week. Once I have all affidavits ready and my Response, I will file all at the same time, than serve the City.

Interestingly, Kevin Meade, Bylaw Supervisor for the City has already admitted that the sole purpose of this Petition is not that we are breaking bylaws, but that they simply don't want our protests anywhere in the Kelowna downtown core. This includes the RCMP, City Hall, Interior Health, Castanet (our National Enquirer) and all local media outlets, and any and all parks, including Stuart Park.

Also involved in this scam from the City are: Doug Gilchrist the City Manager, Stephen Fleming the City Clerk and Corporate Administrator, Darren Caul the Director of Community Safety for Kelowna, and of course, Bylaw Officer James Short.

And the only reason they claim is because I don't have a permit and never applied for one. Yet the City also admits, in writing, that I don't need a permit for our political protests. So now they are playing word games and trying to call our protests, "*events*", so they can claim a duty to obtain a permit.

Unfortunately, this case will have significant repercussions for every protest rally in British Columbia, and indeed, in Canada, as it is being heard in a superior court in the province. This will be an incredibly complex case, procedurally and substantively.

And not one civil liberties lawyer in Canada will join this case, or intervene. I suspect all lawyers have been told to 'stay away from this one'.

**Here is a text from the arrest just made by the N. Van. RCMP against those activists who were using the over pass to get their messages across. The City obtained an injunction against them in court. The RCMP at first said they would not enforce it, but it appears that they have charged someone with mischief.**

**Kristopher Maya:**

*I was arrested Thursday June 22 after the North Vancouver overpass rally. As I was walking back to my truck, I noticed an RCMP vehicle waiting at the top of the street. I pulled out my phone and started to livestream. All of a sudden 2 cops are behind me & the one cop in front of me got out of his vehicle. I quickly handed over my phone to Errol and figured I was going to be arrested. I was arrested for theft & mischief regarding an incident on May 25 where an ugly regressive rainbow flag was taken down from the flagpole at lonsdale quay. I was detained for 16 hours. RCMP illegally seized my phone from Errol and have still not returned my phone. No search warrant. My court hearing is July 13 at the North Vancouver court house. Let's have a convoy in North Van on this day. CACACACA*

As for investigating foreign interference in elections, the Liberals are now contemplating a [public inquiry](#) after Trudeau's failed attempt to appoint his close friend David Johnson to oversee the investigation. ## **Fundraising and Donations**

In the absence of rallies every Saturday, we don't get the funding we used to that allowed us to print all the resources we provide at the CLEAR booth, as well as the inserts that go into the Druthers newspapers for our Sunday paper deliveries. Thanks to your past donations, we have delivered over **8000** copies of Druthers, plus various inserts, in Kelowna and W. Kelowna, with lots more to go!

Legal costs are also starting to mount and will only get worse as we begin to fight the Petition to ban our rallies.

Future protests are being strategically planned right now for City Hall, the courthouse, and other locations.

Many people believe that the COVID-19 issue is over – and it is not. Freedom is a multi-generational struggle, where we hope to leave a better place for our children. Other serious issues are lurking ominously in the near future that we will need to focus on: 15 min cities; legal actions; digital ID and digital currencies to start. These will require ongoing research and production of signs and materials for public education. The digital ID and currency issues are two of the most critical and going to involve significant amounts of education for people.

Please help with your donation by E-transfer to: [clear2012@pm.me](mailto:clear2012@pm.me). You can also mail cash (this remains safe) by Expresspost to: P.O. Box 21113 Cherry Lane Mall, Penticton, BC, V2A 8K8. Cash of course, would be the preferred method to protect everyone's privacy.

These are unfortunately the only methods available right now to accept donations outside of the monthly rallies. Everything we do is on a volunteer basis and if you are not able to volunteer, your cash donation is what keeps the freedom wheel turning.

We do need volunteers to join our **Fundraising Focus Group**. If you are good at event planning and have some time to devote to organize regular fundraising occasions, please come see Linda at the CLEAR booth this Saturday or contact [CLEAR.Linda@proton.me](mailto:CLEAR.Linda@proton.me).

We need volunteers who are:

Proactive  
Can work independently  
Able to collaborate with others  
Responsible and Dependable  
Trustworthy  
Enthusiastic  
Result-Oriented  
Committed  
Motivated

If you possess these qualities and want to make a difference right now as a

Freedom Activist, please add your name to the Volunteer List at the CLEAR booth this Saturday or contact [CLEAR.Linda@proton.me](mailto:CLEAR.Linda@proton.me) to get more information.

**Freedom requires time, energy or money.** Thank you all for your help, in any form you are able to assist with. Everything you do for the sake of freedom is a seed planted. And although you may not see where it lands, trust that it will grow and bear fruit! Otherwise, why have the City, Province and Feds continually tried to shut us down?!! We are effective with one of the lowest vaccination rates in BC and Canada – **thanks to YOU!**

**Sunday Paper  
Deliveries**

**Next delivery  
day:**

**July 2, 2023**

**(Weather Permitting)**

**Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day**

**Make sure you arrive before the designated time so we can all get going ASAP!**

## Every Sunday at 11:30 am

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.
- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
  - Bring a large bag for carrying the papers if you want
  - Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
  - You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
  - We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
  - Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

- Sign up as a Volunteer to participate in one of the many focus groups we are working to organize. Most people are too busy to commit to fighting for freedom. I guarantee you will have plenty of extra time after Canada becomes a full-fledged communist country and your jobs & businesses are gone. Time to add freedom-fighting to your list of priorities. Much of the help needed can be done at home and even one hour per week will be helpful. Even if you don't want to join a specific group, maybe you have something you can offer to help out. Let us know!

- Contact Linda at [CLEAR.Linda@proton.me](mailto:CLEAR.Linda@proton.me)

1. Spread the Word by delivering papers and flyers everywhere:  
Knowledge is power!

**2. Replace your cell phone with a flip phone:**

**Think of your apps as TRAPS!**

**3. Use CASH:**

**Hand out the “Use cash cards” and “pay cash” business posters**

# *REMINDER*

## *New Credit Card Fees & Lack of Privacy*

*It is starting - Use cash as much as possible - use credit cards or digital only if there is no other alternative.*

*Companies will not use digital currency if we are not using digital currency! It will cost them too much in lost business.*

*Here is an awesome poster you can distribute to all businesses to put on their entrance doors, advocating for the use of cash. Print on 8 1/2 x 11 glossy hard stock for best results.*

*For Business owners:*

**TO OUR VALUED CUSTOMERS**

**\$\$ PLEASE PAY CASH \$\$**

**WHY?**

**TO AVOID BANK FEES  
TO KEEP CASH ALIVE**

**SUPPORT LOCAL BUSINESSES, NOT BANKS**

**CASH WILL WORK**

**WHEN THE INTERNET IS DOWN  
WHEN THERE IS A POWER OUTAGE  
WHEN THE CARD READER MALFUNCTIONS  
WHEN YOUR PHONE BATTERY DIES**

**WHEN CASH IS  
ELIMINATED – SO  
IS YOUR FREEDOM**

**CASH IS KING – Use it or lose it – and your privacy**

*The dangers of digital gov't ID and currencies are here... you need to use cash as much as possible. As recognized by Freedom Rising, there are many inherent dangers of using digital currency. What do you do, not if, but when:*

*The internet is down*

*There is a power outage*

*The card reader malfunctions*

*Your phone battery dies or doesn't work for other reasons*

**WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:**

*Your phone is stolen*

*Your passwords are co-opted*

*Your credit/debit card strip is damaged – needs replacing*

*There are errors in relation to the quantum of \$\$ on your card*

*Gov't limits your purchases/CRA liens the balance on your card*

**AND MANY OTHER DANGERS**

***CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.***

**Suggestion:**

*Withdraw money on Saturday/Sunday from the bank or bank machine, and then leave your money at home if you are scared to carry it with you, and just carry the amounts of cash for each day's purchases for the week.*

***NO MORE CARDS!!!!***

***NO EXCUSES!***

# USE CASH \$\$\$\$\$\$\$\$\$\$

*Get these cards below at the CLEAR booth to give out everytime you use cash - or print your own to hand out!*

...

I bet they're using the bank run as a way of getting us into cashlessness. They'll say there's not enough cash to withdraw from banks, but we can still move stuff around digitally, because that won't cause a bank run.

And voila, instant cashless society.  
CBDCs will soon follow.

***Make Business sized cards to hand out at all your cash purchases!***

**I paid cash today for a reason** 😊

1. To PROTECT OUR PRIVACY
2. To SAVE this business money on transaction fees
3. To GIVE this business more control over their profits
4. To SUPPORT my local economy and community
5. To KEEP my purchases and location anonymous
6. To KEEP cash alive!

The rich industrialist was horrified to find the fisherman lying beside his boat, smoking a pipe.

'Why aren't you out fishing?' asked the industrialist.

'Because I have caught enough fish for the day.'

'Why don't you catch some more?'

'What would I do with them?'

'You could earn more money. Then you could have a motor fitted to your boat to go into deeper waters and catch more fish. Then you would have enough money to buy nylon nets. These would bring you more fish and more money. Soon you would have enough money to own two boats . . . maybe even a fleet of boats. Then you would be a rich man like me.'

'What would I do then?'

'Then you could sit back and enjoy life.'

'What do you think I'm doing right now?'
