"It Ain't Over"

Where have all the men gone?

"We can easily forgive a child who is afraid of the dark; the real tragedy of life is when men are afraid of the light."

Plato

A strong lesson for all those who love freedom.

When you see people such as Tanya, Pastor Pawlowski and far too many others to name here, think of the message contained in this video – and how it pertains to the actions you are taking.

The Kelowna and Alberta Courts of Injustice

Pastor Artur Pawlowski

In what can only be thought of happening in dictatorial countries in the world, the travesty happening to Pastor Artur Pawlowski in Alberta is frightening.

I cannot put it any better than Pastor Artur himself in this amazing interview with Tanya Gaw from Action4Canada. This is a must watch interview.

Pastor Artur is in court for sentencing on August 9, 2023 in Calgary on one charge of mischief.

All his charges originate from preaching to people in his sermons. The attack on religion and especially Christianity is in high gear.

Pastor Artur explains how the gov't has tried to bribe him, extort him and threaten him simply to shut him up.

His stance of refusal can only be described as one of pure courage and faith.

Please watch this incredible video to learn first hand what is happening in Alberta. If you are in Alberta or Western Canada and can make it out to Calgary on August 9, 2023, please sacrifice one day to support this man who has dedicated decade for freedom.

Falsified assault charge **Kelowna Courthouse**

R v David Lindsay s. 266 Criminal Code Assault

After an incredible two days in court March 1st and 2nd, everyone finally got to see what the fuss is all about – and the shock even in the media was visible everywhere in the courtroom. Even opposition media, who came out in droves hoping to see some incredible fight scene to label me with, were amazed and dismayed at what truly occurred. The video, taken by one of our loyal supporters clearly showed that **THEY** (security guards) pushed into David, not the reverse. And more evidence is yet to come.

Now that everyone in the courtroom has seen the video of what really happened, even some media who were present were surprised at what occurred. I guess they were hoping for some wild fist fight that of course simply did not happen...as the video shows, THEY assaulted me.

Court trial update:

Two days for final submissions were originally set for Dec. 13, 14, 2023. Apparently, the judge was not happy with this and force a short hearing two weeks ago. At this

hearing, she insisted upon a hearing date before then. This date has now been set for Sept. 12, 2023.

Further, she demanded that I provide all my submissions in writing to the Crown prior to that date. That is not going to happen.

Had a hearing taken place as scheduled on Dec. 13, I would have simply showed up with my submissions. I may have been required to go first however the Crown would have had to reply right then at that time. A decision would have followed.

But I am not going to give my defence to the Crown two months in advance for Mr. Grabavac to start emailing every prosecutor in the country for Crown responses. That is neither fair nor just to me.

Meanwhile, the Attorney General filed her Motion to Strike my RCMP challenge and served me on Friday morning with it. I have yet to review it but hope to do so in the coming week or two. Priority one right now is trying to complete all affidavits, including my own, for the Petition to ban our protest rallies.

I will comment further once I have read the Crown's Motion to Strike.

Thank you for all your support, despite having two enemies in the courtroom – the Crown and the Judge!

Update -- Petition to ban Kelowna Protest/Rallies

I now must begin to continue working on our reply to the Petition to ban our rallies. This is the biggest attempt to control our freedom of speech and assembly in history.

The past week was completely booked up helping our fellow freedom activist here in Kelowna Bruce, through his four-day trial on causing a disturbance. Everyone is being charged it seems who opposes the gov't narrative or supports freedom.

I now begin anew on the Petition. Three supporting affidavits have been filed, and about another four-six more are coming. Plus, I have to finish my own, which is the most extensive. I have to continue to our videos and reference the appropriate portions, a time-consuming effort to say the least. But hopefully I can see the end in sight now.

Once all is done and filed, they will be posted on our website for all to see. This is a complicated response as many issues of law are involved, that require hundreds of hours of research and analysis before we file any documents.

The media has already confirmed to me that they were instructed by the Gov't not to print anything contrary to the Gov't COVID-19 narrative. If they deny us our freedom to protest where it is most effective, then other cities will follow likewise by banning our protests, and without any media assistance, the Gov't will be free to do whatever it wants with no public exposure. Pure Communism. This is the most critical time in our struggle for freedom....right now.

All City of Kelowna documents and pleadings are now placed on our website for public viewing: <https://clearbc.org/city-of-kelowna/> Details of our position cannot be released just yet, however it will be interesting to expose their corruption as we move along. **Once our responding materials are filed, we will post them on line as well.**

Unfortunately, this case will have significant repercussions for every protest rally in British Columbia, and indeed, in Canada, as it is being heard in a superior court in this Province. This will be an incredibly complex case.

Donations would be very much appreciated. E-transfers can be done to: clear2012@pm.me or cash donations can be mailed to: PO Box 21113 Cherry Lane Mall, Penticton BC V2A 8K8

Please stay tuned for more updates.

4:30pm PST – A4C Orientation; 4:45pm PST – Tanya's update; 5pm PST/8pm EST – Empower Hour guest segment

You will not want to miss this Empower Hour with Tanya Gaw and special guest Dr. Peter McCullough. Tanya and Dr. McCullough take a deep dive and name names of those who are behind the mass bioweapon attack on humanity that has caused serious harm, including death, to millions of people. This past week there were two significant, groundbreaking studies released, one from Denmark and the second by [Dr. McCullough and his colleagues](#) in the USA, that prove that the COVID-19 injection caused severe vaccine injury and death.

See the video trailer and information below to learn more and be sure to [Register in Advance](#) and invite others to this Empower Hour.

Review Dr. McCullough's page that includes includes a [biography, videos and treatment protocols](#) to keep you healthy, and to help people who are vaccine injured.

Trailer: Upcoming Empower Hour Interview

In this trailer Tanya Gaw and Dr. Peter McCullough discuss the breaking study out of Denmark giving evidence that some batches of the COVID-19 vaccines were more lethal. Researchers in Denmark published a report in the European Journal of Clinical Investigation on "[Batch-dependent safety of the BNT162b2 mRNA COVID-19 vaccine](#)". The study reveals that **71% of the adverse events were from 4.2% of the batches** (see chart below).

As no surprise, this information is being censored and suppressed by major medical associations including the Lancet Group, the American Medical Association, The New England Journal of Medical Association, and Archives of Internal Medicine.

Dr McCullough's study was also [censored and removed by Lancet](#). The study was a [systemic review of autopsy findings in deaths after COVID-19 vaccinations](#). The study found that out of 325 autopsies, 240 of the deaths, **74%, were caused by the vaccine**. The study was removed within 24 hours stating, *"This preprint has been removed by Preprints with the Lancet because the study's conclusions are not supported by the study methodology."* The study had not undergone any part of the peer-review process, the note implies it fell foul of "screening criteria".

The original reason CLEAR was founded was to expose the fraudulent usury (interest) based banking system. You should obtain a copy of the short book, USURY by Hilaire Belloc, as was as Billions for the Bankers, Debts for the People by Joe Thaugherberger. Understanding the fraudulent banking system is the fundamental key to opening up the knowledge of freedom.

Every single problem in societies the world over, is traceable back to the fraudulent money system.

Fundraising and Donations

In the absence of rallies every Saturday, we don't get the funding we used to that allowed us to print all the resources we provide at the CLEAR booth, as well as the inserts that go into the Druthers newspapers for our Sunday paper deliveries. Thanks to your past donations, we have delivered over **8000** copies of Druthers, plus various inserts, in Kelowna and W. Kelowna, with lots more to go!

Legal costs are also starting to mount and will only get worse as we begin to fight the Petition to ban our rallies.

Future protests are being strategically planned right now for City Hall, the courthouse, and other locations.

Many people believe that the COVID-19 issue is over – and it is not. Freedom is a multi-generational struggle, where we hope to leave a better place for our children. Other serious issues are lurking ominously in the near future that we will need to focus on: 15 min cities; legal actions; digital ID and digital currencies to start. These will require ongoing research and production of signs and materials for public education. The digital ID and currency issues are two of the most critical and going to involve significant amounts of education for people.

Please help with your donation by E-transfer to: clear2012@pm.me. You can also mail cash (this remains safe) by Expresspost to: P.O. Box 21113 Cherry Lane Mall, Penticton, BC, V2A 8K8. Cash of course, would be the preferred method to protect everyone's privacy.

These are unfortunately the only methods available right now to accept donations outside of the monthly rallies. Everything we do is on a volunteer basis and if you are not able to volunteer, your cash donation is what keeps the freedom wheel turning.

We do need volunteers to join our **Fundraising Focus Group**. If you are good at event planning and have some time to devote to organize regular fundraising occasions, please come see Linda at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me.

We need volunteers who are:

Proactive
Can work independently
Able to collaborate with others
Responsible and Dependable
Trustworthy
Enthusiastic
Result-Oriented
Committed
Motivated

If you possess these qualities and want to make a difference right now as a

Freedom Activist, please add your name to the Volunteer List at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me to get more information.

Freedom requires time, energy or money. Thank you all for your help, in any form you are able to assist with. Everything you do for the sake of freedom is a seed planted. And although you may not see where it lands, trust that it will grow and bear fruit! Otherwise, why have the City, Province and Feds continually tried to shut us down?!! We are effective with one of the lowest vaccination rates in BC and Canada – **thanks to YOU!**

**Sunday Paper
Deliveries**

**Next delivery
day:**

July 16, 2023

(Weather Permitting)

Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day

Make sure you arrive before the designated time so we can all get going ASAP!

Every Sunday at 11:30 am

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.
- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
 - Bring a large bag for carrying the papers if you want
 - Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
 - You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
 - We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
 - Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

- Sign up as a Volunteer to participate in one of the many focus groups we are working to organize. Most people are too busy to commit to fighting for freedom. I guarantee you will have plenty of extra time after Canada becomes a full-fledged communist country and your jobs & businesses are gone. Time to add freedom-fighting to your list of priorities. Much of the help needed can be done at home and even one hour per week will be helpful. Even if you don't want to join a specific group, maybe you have something you can offer to help out. Let us know!

2. Replace your cell phone with a flip phone:

REMINDER

New Credit Card Fees & Lack of Privacy

It is starting - Use cash as much as possible - use credit cards or digital only if there is no other alternative.

Companies will not use digital currency if we are not using digital currency! It will cost them too much in lost business.

Here is an awesome poster you can distribute to all businesses to put on their entrance doors, advocating for the use of cash. Print on 8 1/2 x 11 glossy hard stock for best results.

CASH IS KING – Use it or lose it – and your privacy

The dangers of digital gov't ID and currencies are here... you need to use cash as much as possible. As recognized by Freedom Rising, there are many inherent dangers of using digital currency. What do you do, not if, but when:

The internet is down

There is a power outage

The card reader malfunctions

Your phone battery dies or doesn't work for other reasons

WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:

Your phone is stolen

Your passwords are co-opted

Your credit/debit card strip is damaged – needs replacing

There are errors in relation to the quantum of \$\$ on your card

Gov't limits your purchases/CRA liens the balance on your card

AND MANY OTHER DANGERS

CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.

Suggestion:

Withdraw money on Saturday/Sunday from the bank or bank machine, and then leave your money at home if you are scared to carry it with you, and just carry the amounts of cash for each day's purchases for the week.

Even though COVID-19 restrictions are, for the most part, no longer in effect, other freedom issues have arisen as gov'ts use the cover of COVID-19 to introduce other more formidable liberty restrictions, including privacy violations.

Freedom is a multi-generational struggle – our legacy is to leave a better place for our children, not simply to quit after an issue appears to be over and anger diminishes; and of course, it rarely is truly over.
