"It Ain't Over"

Where have all the men gone?

"We can easily forgive a child who is afraid of the dark; the real tragedy of life is when men are afraid of the light."

Plato

UPDATE:

Hi folks. Please note the following activities here in Kelowna this week. We will try and get a regular newsletter out this week, however due to ongoing legal activities, it may be a bit longer. Justice sure is delayed.

Bruce Orydzuk is in Provincial Court facing falsified a falsified charge of causing a disturbance by using insulting language under s. 175 of the *Criminal Code*.

This allegedly originates from a protest held at a local vaccination clinic here in Kelowna, on July 13, 2021. Again, more charges from our protests.

Attacks against freedom continue throughout the Okanagan and especially in Kelowna.

Please support Bruce who has been a major promoter of our rallies for years, and has provided us with significant videos of almost all our activities.

Friday, July 7, 2023 5:00-7:00 p.m.

**Bertram Creek Park in Kelowna
5680 Lakeshore Road**

This is an extremely beautiful area, and was one of the first places we had a major rally in 2020, with over 200 people attending at that time.

We hope to use the Amphitheatre once again.

Kelowna Unity will be there with awesome updated information to share.

Speakers:

Erica Kelowna Unity
David Lindsay
Donna Roth

Thank you to Unity and Donna for all their wonderful work to organize this activity.

Please bring your own chair and munchies.

Dear Kelowna – Lake Country Community

You're invited!

To an upcoming community picnic gathering.

Date: Friday, July 7, 2023

Time: 5:00-7:00 p.m.

Location: Bertram Creek Park, at the amphitheatre

Event: bring your own picnic, camping/folder chair and drinks

The intention is to keep it simple and have a fun community gathering for connecting again for those especially in the Kelowna-Lake Country area from various groups such as Unity, CLEAR, and those like-minded. Please feel welcome from all along the Okanagan valley, too!

Speakers: David L., Unity Health & Sciences, and others

Although there will be some sharing from a few speakers for updates, this is meant to keep it simple and fun to simply get together and connect again.

This is amazing information on what is becoming an incredibly important issue. The details behind what our governments and military are doing is as important to know as all other rights and freedoms issues.

Thank you to Bettina for all her dedication and hard work on this vital topic

Remember Dr. Ross Anderson – who spoke at several of our CLEAR Freedom Rallies in 2020-2021?

He is back joining us again electronically, in support of this huge event!
