Update on my sentencing! I just received a phone call from my legal team! Everything is being pushed!...

Pastor Artur was originally to be in court for sentencing on August 9, 2023 in Lethbridge, Alta. on one charge of mischief. A new date has been set for some unknown reason, to Sept. 18, also in Lethbridge. Let this not deter us from supporting him in any way we can.

In what can only be thought of happening in dictatorial countries in the world, the travesty happening to Pastor Artur Pawlowski in Alberta is frightening.

I cannot put it any better than Pastor Artur himself in this amazing interview with Tanya Gaw from Action4Canada. This is a must watch interview.

All his charges originate from preaching to people in his sermons. The attack on religion and especially Christianity is in high gear.

Pastor Artur explains how the gov't has tried to bribe him, extort him and threaten him simply to shut him up.

His stance of refusal can only be described as one of pure courage and faith.

Please watch this incredible video to learn first hand what is happening in Alberta. If you are in Alberta or Western Canada and can make it out to Calgary on August 9, 2023, please sacrifice one day to support this man who has dedicated decade for freedom.

Update -- Petition to ban Kelowna Protest/Rallies

Most of my documents including my Petition Response were now filed with the Court this week. Undoubtedly this was one of the more complex legal issues I have had to work on. There is simply so much at risk from these Communist governments that I had to deal with every possible legitimate defence.

Unsure what is now about to happen but I will have to serve the A.G. of BC and Canada with my Constitutional Challenges to the bylaws and RCMP shortly. Likely next week.

All City of Kelowna documents and pleadings are now placed on our website for public viewing: <https://clearbc.org/city-of-kelowna/>
Details of our position cannot be released just yet, however it will be

interesting to expose their corruption as we move along. **Once our responding materials are filed, we will post them on line as well.**

Unfortunately, this case will have significant repercussions for every protest rally in British Columbia, and indeed, in Canada, as it is being heard in a superior court in this Province. This will be an incredibly complex case. **Though I do not have a lawyer, there are still plenty of costs to defend this case.**

Donations would be very much appreciated. E-transfers can be done to: clear2012@pm.me or cash donations can be mailed to: PO Box 21113 Cherry Lane Mall, Penticton BC V2A 8K8

Please stay tuned for more updates.

Falsified assault charge **Kelowna Courthouse**

R v David Lindsay s. 266 Criminal Code Assault

After an incredible two days in court March 1st and 2nd, everyone finally got to see what the fuss is all about – and the shock even in the media was visible everywhere in the courtroom. Even opposition media, who came out in droves hoping to see some incredible fight scene to label me with, were amazed and dismayed at what truly occurred. The video, taken by one of our loyal supporters clearly showed that **THEY** (security guards) pushed into David, not the reverse. And more evidence is yet to come.

Now that everyone in the courtroom has seen the video of what really happened, even some media who were present were surprised at what occurred. I guess they were hoping for some wild fist fight that of course simply did not happen...as the video shows, THEY assaulted me.

Court trial update:

Two days for final submissions were originally set for Dec. 13, 14, 2023. Apparently, the judge was not happy with this and forced a new hearing date before then. This date has now been set for Sept. 12, 2023 in Kelowna courthouse.

Further, she demanded that I provide all my submissions in writing to the Crown prior to that date. That is not going to happen.

Had a hearing taken place as scheduled on Dec. 13, I would have simply showed up with my submissions. I may have been required to go first, which I strongly oppose, however if I was forced to so do, the Crown would have had to reply right then at that time. A decision would have followed.

But I am not going to give my defence to the Crown months in advance for Crown Prosecutor Grabavac to start emailing every prosecutor in the country for Crown responses. That is neither fair nor just to me.

Meanwhile, the Attorney General filed her Motion to Strike my RCMP challenge and served me on Friday morning with it. I still have to review this – so much time was invested in the attack on our rallies, that very little time was left for this case or much else.

I will comment further once I have read the Crown's Motion to Strike.
Thank you for all your support, despite having two enemies in the courtroom – the Crown and the Judge!

Alberta COVID court victory???

In the recent *Ingram* case from the Alta Court of King's Bench, Justice Romaine ruled that all of then Public Health Officer Deana Hinshaw's orders in relation to COVID-19, were illegal and of no force and effect on the basis that the Gov't was issuing instructions to her as to what to do, as opposed to the *Public Health Act* which required the sole decision

making authority to be in the position of the Public Health Officer. In short, the Government did not have the power (*ultra vires*) to make health decisions as it did.

Consequently, all of the orders were ruled unlawful at para. 57.

Here is a good hour-long analysis of this case by lawyers Leighton Grey KC and Jeffrey R.W. Rath for the Plaintiff being interviewed by Christopher Scott.

https://www.facebook.com/watch/live/?ref=watch_permalink&v=1719032405204797

As with many judgments, there appears to be some not good material as well...the Judge appears to give too much credit to Hinshaw and the gov't. I will chat more about this case after I have had the opportunity to read it all and consider it. But so far, it appears to be at least some form of good victory.

The original reason CLEAR was founded was to expose the fraudulent usury (interest) based banking system. You should obtain a copy of the short book, USURY by Hilaire Belloc, as was as Billions for the Bankers, Debts for the People by Joe Thaugberger. Understanding the fraudulent banking system is the fundamental key to opening up the knowledge of freedom.

Every single problem in societies the world over, is traceable back to the fraudulent money system.

Fundraising and Donations

In the absence of rallies every Saturday, we don't get the funding we used to that allowed us to print all the resources we provide at the CLEAR booth, as well as the inserts that go into the Druthers newspapers for our Sunday paper deliveries. Thanks to your past donations, we have delivered over **8000** copies of Druthers, plus various inserts, in Kelowna and W. Kelowna, with lots more to go!

Legal costs are also starting to mount and will only get worse as we begin to fight the Petition to ban our rallies.

Future protests are being strategically planned right now for City Hall, the courthouse, and other locations.

Many people believe that the COVID-19 issue is over – and it is not. Freedom is a multi-generational struggle, where we hope to leave a better place for our children. Other serious issues are lurking ominously in the near future that we will need to focus on: 15 min cities; legal actions; digital ID and digital currencies to start. These will require ongoing research and production of signs and materials for public education. The digital ID and currency issues are two of the most critical and going to involve significant amounts of education for people.

Please help with your donation by E-transfer to: clear2012@pm.me. You can also mail cash (this remains safe) by Expresspost to: P.O. Box 21113 Cherry Lane Mall, Penticton, BC, V2A 8K8. Cash of course, would be the preferred method to protect everyone's privacy.

These are unfortunately the only methods available right now to accept donations outside of the monthly rallies. Everything we do is on a volunteer basis and if you are not able to volunteer, your cash donation is what keeps the freedom wheel turning.

We do need volunteers to join our **Fundraising Focus Group**. If you are good at event planning and have some time to devote to organize regular fundraising occasions, please come see Linda at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me.

We need volunteers who are:

Proactive
Can work independently
Able to collaborate with others
Responsible and Dependable
Trustworthy
Enthusiastic
Result-Oriented
Committed
Motivated

If you possess these qualities and want to make a difference right now as a

Freedom Activist, please add your name to the Volunteer List at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me to get more information.

Freedom requires time, energy or money. Thank you all for your help, in any form you are able to assist with. Everything you do for the sake of freedom is a seed planted. And although you may not see where it lands, trust that it will grow and bear fruit! Otherwise, why have the City, Province and Feds continually tried to shut us down?!! We are effective with one of the lowest vaccination rates in BC and Canada – **thanks to YOU!**

Sunday Paper Deliveries

Flyer delivery is on summer break and will resume in about three weeks!

Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day

Make sure you arrive before the designated time so we can all get going ASAP!

Every Sunday at 11:30 am

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.
- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
 - Bring a large bag for carrying the papers if you want
 - Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
 - You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
 - We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
 - Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

- Sign up as a Volunteer to participate in one of the many focus groups we are working to organize. Most people are too busy to commit to fighting for freedom. I guarantee you will have plenty of extra time after Canada becomes a full-fledged communist country and your jobs & businesses are gone. Time to add freedom-fighting to your list of priorities. Much of the help needed can be done at home and even one hour per week will be helpful. Even if you don't want to join a specific group, maybe you have something you can offer to help out. Let us know!

- Contact Linda at CLEAR.Linda@proton.me

3 Simple Things Freedom Activists can do to WIN this War:

1. Spread the Word by delivering papers and flyers everywhere:
Knowledge is power!

2. Replace your cell phone with a flip phone:

Think of your apps as TRAPS!

3. Use CASH:

Hand out the “Use cash cards” and “pay cash” business posters

REMINDER

New Credit Card Fees & Lack of Privacy

It is starting - Use cash as much as possible - use credit cards or digital only if there is no other alternative.

Companies will not use digital currency if we are not using digital currency! It will cost them too much in lost business.

Here is an awesome poster you can distribute to all businesses to put on their entrance doors, advocating for the use of cash. Print on 8 1/2 x 11 glossy hard stock for best results.

**WHEN CASH IS

CASH IS KING – Use it or lose it – and your privacy

The dangers of digital gov't ID and currencies are here... you need to use cash as much as possible. As recognized by Freedom Rising, there are many inherent dangers of using digital currency. What do you do, not if, but when:

The internet is down

There is a power outage

The card reader malfunctions

Your phone battery dies or doesn't work for other reasons

WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:

Your phone is stolen

Your passwords are co-opted

Your credit/debit card strip is damaged – needs replacing

There are errors in relation to the quantum of \$\$ on your card

Gov't limits your purchases/CRA liens the balance on your card

AND MANY OTHER DANGERS

CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.

Suggestion:

Withdraw money on Saturday/Sunday from the bank or bank machine, and then leave your money at home if you are scared to carry it with you, and just carry the amounts of cash for each day's purchases for the week.

NO MORE CARDS!!!!

NO EXCUSES!

I bet they're using the bank run as a way of getting us into cashlessness. They'll say there's not enough cash to withdraw from banks, but we can still move stuff around digitally, because that won't cause a bank run.

And voila, instant cashless society.
CBDCs will soon follow.

***Make Business sized cards to hand out at all

I paid cash today for a reason 😊

1. To PROTECT OUR PRIVACY
2. To SAVE this business money on transaction fees
3. To GIVE this business more control over their profits

BC Rising Presents BC 15 Minute/Smart City Coalition

With the help of BC Rising, a provincial coalition has come together to address the BC Climate Action plans being approved throughout the province. The coalition' now includes action groups from Kelowna, Penticton, Kamloops, Central Kootenays and Cowichan Valley. The coalition's goal is to raise awareness, carry out actions and provide resources and support for concerned people and groups from across B.C.

Every person wants clean air, soil & water and less pollution. Most people love the idea of increased bike lanes, improved public transportation, and nearby grocery stores and amenities.

However, there are sections of Municipal and Regional District Climate Action plans which are of great concern to many residents. The plans include very costly home renovations, restricted transportation and mobility, increased surveillance and subversive changes to land use by-laws and zoning which could herald in 15 minute cities and the social credit system. The climate action plans can have severe economic consequences for businesses, farmers and home and land owners with possible bankruptcy and loss of residence. Everyone's participation is required to ensure their official community plans are not abused and to achieve mutually benefiting outcomes for everyone.

New signs???

Even though COVID-19 restrictions are, for the most part, no longer in effect, other freedom issues have arisen as gov'ts use the cover of COVID-19 to introduce other more formidable liberty restrictions, including privacy violations.

Freedom is a multi-generational struggle – our legacy is to leave a better place for our children, not simply to quit after an issue appears to be over and anger diminishes; and of course, it rarely is truly over.

We urge you to provide designs (clear2012@pm.me) and/or your own signs for upcoming threats, including Digital ID

Digital currency and no cash

Climate change fraud

Further health, property, rights and freedoms restrictions

The rich industrialist was horrified to find the fisherman lying beside his boat, smoking a pipe.

'Why aren't you out fishing?' asked the industrialist.

'Because I have caught enough fish for the day.'

'Why don't you catch some more?'

'What would I do with them?'

'You could earn more money. Then you could have a motor fitted to your boat to go into deeper waters and catch more fish. Then you would have enough money to buy nylon nets. These would bring you more fish and more money. Soon you would have enough money to own two boats . . . maybe even a fleet of boats. Then you would be a rich man like me.'

'What would I do then?'

'Then you could sit back and enjoy life.'

'What do you think I'm doing right now?'
