"It Ain't Over"

Where have all the men gone?

"We can easily forgive a child who is afraid of the dark; the real tragedy of life is when men are afraid of the light."

Plato

A strong lesson for all those who love freedom.

When you see people such as Tanya, Pastor Pawlowski and far too many others to name here, think of the message contained in this video – and how it pertains to the actions you are taking.

Falsified assault charge

Kelowna Courthouse

R v David Lindsay s. 266 Criminal Code Assault

Court trial update:

Two days for final submissions were originally set for Dec. 13, 14, 2023. Apparently, the judge was not happy with this and force a short hearing two weeks ago. At this hearing, she insisted upon a hearing date before then. This date has now been set for Sept. 12, 2023.

Further, she demanded that I provide all my submissions in writing to the Crown prior to that date. That is not going to happen.

Had a hearing taken place as schedule on Dec. 13, I would have simply showed up with my submissions.

I am not going to give my defence to the Crown months or even weeks in advance for Mr. Grabavac to start emailing every prosecutor in the country for Crown responses and help. That is neither fair nor just to me.

Meanwhile, the Attorney General filed her Motion to Strike my RCMP challenge and served me on Friday morning with it. Her claim is that it is moot (ie: the reason for it no longer exists) or would have no impact on the trial.

The Crown is dependent in my case upon all law enforcement by the RCMP, including investigation, interrogation of witnesses, and Crown Report. If the RCMP have no jurisdiction, because policing is a Provincial matter under s. 92 of the *Constitution Act* 1867, then all evidence obtained was obtained without jurisdiction to so do, and must be thrown out. Once that happens, the Crown has no evidence to rely upon, not that it has any to begin with.

The informant was an RCMP officer. The Crown is trying to claim that under s. 504 of the *Criminal Code* anyone can lay an information. That is true...but the informant did not lay the Information as a member of the public or 'anyone', he laid it in the capacity or as the person of an RCMP officer. Being so, again, once determined that

the RCMP have no jurisdiction in B.C. then the Informant also had no power to lay the Information against me in that capacity.

Although a Provincial Court cannot strike down legislation, if the judge finds it to be unconstitutional, they simply cannot apply it pursuant to s. 52 of the *Constitution Act* 1982.

Thank you for all your support, despite having two enemies in the courtroom – the Crown and the Judge!

See you Sept. 12 9:30 a.m. !

Update -- *Petition to ban Kelowna Protest/Rallies*

David's Documents now up on the website!

<https://clearbc.org/david/>

The Response or legal argument, to the Petition is now up as well as all supporting affidavits. One affidavit needs to be corrected however as it is not appearing properly formatted for some reason on the site. That will be corrected shortly.

The City is attempting to rush this into a hearing the week of August 28, however as I told the City's counsel, it is likely to take 5-8 days for hearing of my Constitutional Challenge and other defences. It is simply not possible for me to be ready in this time period in any event.

This is the biggest attempt to control our freedom of speech and assembly in history.

The media has already confirmed to me that they were instructed by the Gov't not to print anything contrary to the Gov't COVID-19 narrative. If they deny us our freedom to protest where it is most effective, then other cities will follow likewise by banning our protests, and without any media assistance, the Gov't will be free to do whatever it wants with no public exposure. Pure Communism. This is the most critical time in our struggle for freedom....right now.

All City of Kelowna documents and pleadings are now placed on our website for public viewing: <https://clearbc.org/city-of-kelowna/>

Unfortunately, this case will have significant repercussions for every protest rally in British Columbia, and indeed, in Canada, as it is being heard in a superior court in this Province. This will be an incredibly complex case.

Donations would be very much appreciated as costs are now starting to come in.

E-transfers can be done to: clear2012@pm.me or cash donations can be mailed to: PO Box 21113 Cherry Lane Mall, Penticton BC V2A 8K8

Please stay tuned for more updates.

Our next protest/rally is set for:

**Saturday

Labour Day longweekend
12:00 pm Stuart Park, Kelowna**

Update:

We are planning to spend time again on Hwy 97. If you have any sign ideas, please send them immediately to:

The original reason CLEAR was founded was to expose the fraudulent usury (interest) based banking system. You should obtain a copy of the short book, USURY by Hilaire Belloc, as was as Billions for the Bankers, Debts for the People by Joe Thaugherberger. Understanding the fraudulent banking system is the fundamental key to opening up the knowledge of freedom.

Every single problem in societies the world over, is traceable back to the fraudulent money system.

Fundraising and Donations

In the absence of rallies every Saturday, we don't get the funding we used to that allowed us to print all the resources we provide at the CLEAR booth, as well as the inserts that go into the Druthers newspapers for our Sunday paper deliveries. Thanks to your past donations, we have delivered over **8000** copies of Druthers, plus various inserts, in Kelowna and W. Kelowna, with lots more to go!

Legal costs are also starting to mount and will only get worse as we begin to fight the Petition to ban our rallies.

Future protests are being strategically planned right now for City Hall, the courthouse, and other locations.

Many people believe that the COVID-19 issue is over – and it is not. Freedom is a multi-generational struggle, where we hope to leave a better place for our children. Other serious issues are lurking ominously in the near future that we will need to focus on: 15 min cities; legal actions; digital ID and digital currencies to start. These will require ongoing research and production of signs and materials for public education. The digital ID and currency issues are two of the most critical and going to involve significant amounts of education for people.

Please help with your donation by E-transfer to: clear2012@pm.me. You can also mail cash (this remains safe) by Expresspost to: P.O. Box 21113 Cherry Lane Mall, Penticton, BC, V2A 8K8. Cash of course, would be the preferred method to protect everyone's privacy.

These are unfortunately the only methods available right now to accept donations outside of the monthly rallies. Everything we do is on a volunteer basis and if you are not able to volunteer, your cash donation is what keeps the freedom wheel turning.

We do need volunteers to join our **Fundraising Focus Group**. If you are good at event planning and have some time to devote to organize regular fundraising occasions, please come see Linda at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me.

We need volunteers who are:

Proactive
Can work independently
Able to collaborate with others
Responsible and Dependable
Trustworthy
Enthusiastic
Result-Oriented
Committed
Motivated

If you possess these qualities and want to make a difference right now as a

Freedom Activist, please add your name to the Volunteer List at the CLEAR booth this Saturday or contact CLEAR.Linda@proton.me to get more information.

Freedom requires time, energy or money. Thank you all for your help, in any form you are able to assist with. Everything you do for the sake of freedom is a seed planted. And although you may not see where it lands, trust that it will grow and bear fruit! Otherwise, why have the City, Province and Feds continually tried to shut us down?!! We are effective with one of the lowest vaccination rates in BC and Canada – **thanks to YOU!**

Sunday Paper Deliveries

Next delivery day:

August 27, 2023

(Weather Permitting)

Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day

Make sure you arrive before the designated time so we can all get going ASAP!

Every Sunday at 11:30 am

August 27, 2023

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.
- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
 - Bring a large bag for carrying the papers if you want
 - Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
 - You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
 - We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
 - Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

- Sign up as a Volunteer to participate in one of the many focus groups we are working to organize. Most people are too busy to commit to fighting for freedom. I guarantee you will have plenty of extra time after Canada becomes a full-fledged communist country and your jobs & businesses are gone. Time to add freedom-fighting to your list of priorities. Much of the help needed can be done at home and even one hour per week will be helpful. Even if you don't want to join a specific group, maybe you have something you can offer to help out. Let us know!

- Contact Linda at CLEAR.Linda@proton.me

3 Simple Things Freedom Activists can do to WIN this War:

1. Spread the Word by delivering papers and flyers everywhere:
Knowledge is power!

2. Replace your cell phone with a flip phone:

Think of your apps as TRAPS!

3. Use CASH:

Hand out the “Use cash cards” and “pay cash” business posters

REMINDER

New Credit Card Fees & Lack of Privacy

It is starting - Use cash as much as possible - use credit cards or digital only if there is no other alternative.

Companies will not use digital currency if we are not using digital currency! It will cost them too much in lost business.

Here is an awesome poster you can distribute to all businesses to put on their entrance doors, advocating for the use of cash. Print on 8 1/2 x 11 glossy hard stock for best results.

**WHEN CASH IS

CASH IS KING – Use it or lose it – and your privacy

The dangers of digital gov't ID and currencies are here... you need to use cash as much as possible. As recognized by Freedom Rising, there are many inherent dangers of using digital currency. What do you do, not if, but when:

The internet is down

There is a power outage

The card reader malfunctions

Your phone battery dies or doesn't work for other reasons

WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:

Your phone is stolen

Your passwords are co-opted

Your credit/debit card strip is damaged – needs replacing

There are errors in relation to the quantum of \$\$ on your card

Gov't limits your purchases/CRA liens the balance on your card

AND MANY OTHER DANGERS

CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.

Suggestion:

Withdraw money on Saturday/Sunday from the bank or bank machine, and then leave your money at home if you are scared to carry it with you, and just carry the amounts of cash for each day's purchases for the week.

NO MORE CARDS!!!!

NO EXCUSES!

USE CASH \$\$\$\$\$\$\$\$\$\$

1. To PROTECT OUR PRIVACY

New signs???

Even though COVID-19 restrictions are, for the most part, no longer in effect, other freedom issues have arisen as gov'ts use the cover of COVID-19 to introduce other more formidable liberty restrictions, including privacy violations.

Freedom is a multi-generational struggle – our legacy is to leave a better place for our children, not simply to quit after an issue appears to be over and anger diminishes; and of course, it rarely is truly over.

The rich industrialist was horrified to find the fisherman lying beside his boat, smoking a pipe.

'Why aren't you out fishing?' asked the industrialist.

'Because I have caught enough fish for the day.'

'Why don't you catch some more?'

'What would I do with them?'

'You could earn more money. Then you could have a motor fitted to your boat to go into deeper waters and catch more fish. Then you would have enough money to buy nylon nets. These would bring you more fish and more money. Soon you would have enough money to own two boats . . . maybe even a fleet of boats. Then you would be a rich man like me.'
