"It Ain't Over"

Freedom activists are critical thinkers!

Our society is so dumbed down and indoctrinated that anyone who is a critical thinker is labeled as a Conspiracy Theorist

Did you know: The term 'conspiracy theorist' was first coined and used by the CIA to ridicule anyone who opposed the gov't narrative?

<https://nationalcitizensinquiry.ca/testimony/>

For the most complete evidence that was intentionally and conveniently omitted from all Federal Gov't studies/reports/committees.

Resistance Is ~~Not~~ Futile!

Falsified assault charge

Kelowna Courthouse

R v David Lindsay s. 266 Criminal Code Assault

See below for Rally Petition

**See you November 14, 9:30 a.m. at the Kelowna
Courthouse**

On Sept. 12 Judge Heinrichs ruled that I had to get transcripts for my s. 11(b) Charter Jordan (delay) application, as well as to provide written submissions by Oct. 30.

JC Word Assist wanted about at least \$5 000.00 for the transcripts I needed, and \$12 000.00 including the actual trial.

So, I had a wonderful friend who has her own transcription services company offer to do them for me. However, she was not registered with the Province to do them. This took three weeks to get registered.

Then she was told she had to drive from out of town to the courthouse to get the tapes. Upon arrival at the courthouse, she was then told that they would not give them to her because the BC Government has a monopolistic contract with JC Word Assist that only they can do criminal transcripts! What a complete waste of almost a month of our time, and energy. Monopolies are also a complete violation of the common law.

I then attempted to have my case put before the judge asap, to have an application by me to have our case put over to Dec. 13 which is already set aside, and to have the judge order that the transcripts be produced so I can file my challenge. The SCC ruled 18 months was the limit and it is now 23 going on 24.

The judge was always two weeks ago and I was instructed to go to the JCM on Monday last week to set a time to be heard. The judge would not agree to this and continued to hold it over to Nov. 14 despite the fact that I cannot comply with her order to file my submissions by Oct. 30 because I don't have the transcripts,

That is where we stand on this case. The judge is going to likely accede to Crown demands for contempt of court for not filing my written submissions by Oct. 30, despite not being able to waste \$5K on a criminal company who exists by stealing freedom and justice from criminal victims.

There is no reason why the judge would waste a whole day of court time knowing I won't have submissions filed because the transcripts are priced out of reach for most people. Trial days were \$1600/day!!!! That is pure theft.

Join us on Nov. 16 to see where this case of injustice takes us.

Kelowna Petition to ban rallies

After the case planning conference, I was supposed to file my SLAPP application for Oct 30. This turned out to not be possible as I am away. I attempted to have my Application filed at the courthouse by a friend, but the court would not take it without at least one personally signed document which was not possible being out of town.

I could set up an account to efile, but they will only accept my birth certificate number as ID which of course I do not have on me. So that option is denied.

So I remain rushing around trying to late file materials which is pretty frustrating. I will have to file it all on Monday and no likely have to apply to the court to extend time by one week. Fortunately this should not prejudice the City as the hearing dates next Jan and Feb will remain unchanged.

More updates next week.

David's currently filed Documents are now up on the website! The document titled "Response" is the legal argument David has filed.

The original reason CLEAR was founded was to expose the fraudulent usury (interest) based banking system. You should obtain a copy of the short book, USURY by Hilaire Belloc, as was as Billions for the Bankers, Debts for the People by Joe Thaugherberger. Understanding the fraudulent banking system is the fundamental key to opening up the knowledge of freedom.

Every single problem in societies the world over, is traceable back to the fraudulent money system.

Sunday Paper Deliveries

**Next delivery
day:
November 5,
2023**

(Weather Permitting)

Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day

Make sure you arrive before the designated time so we can all get going ASAP!

Every Sunday at 11:30 am

Nov. 5, 2023

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.

- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
 - Bring a large bag for carrying the papers if you want
 - Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
 - You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
 - We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
 - Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

- Sign up as a Volunteer to participate in one of the many focus groups we are working to organize. Most people are too busy to commit to fighting for freedom. I guarantee you will have plenty of extra time after Canada becomes a full-fledged communist country and your jobs & businesses are gone. Time to add freedom-fighting to your list of priorities. Much of the help needed can be done at home and even one hour per week will be helpful. Even if you don't want to join a specific group, maybe you have something you can offer to help out.

3 Simple Things Freedom Activists can do to WIN this War:

1. Spread the Word by delivering papers and flyers everywhere:
Knowledge is power!

2. Replace your cell phone with a flip phone:

Think of your apps as TRAPS!

3. Use CASH:

Hand out the “Use cash cards” and “pay cash” business posters

REMINDER

New Credit Card Fees & Lack of Privacy

It is starting - Use cash as much as possible - use credit cards or digital only if there is no other alternative.

Companies will not use digital currency if we are not using digital currency! It will cost them too much in lost business.

Here is an awesome poster you can distribute to all businesses to put on their entrance doors, advocating for the use of cash. Print on 8 1/2 x 11 glossy hard stock for best results.

**WHEN CASH IS

CASH IS KING – Use it or lose it – and your privacy

The dangers of digital gov't ID and currencies are here... you need to use cash as much as possible. As recognized by Freedom Rising, there are many inherent dangers of using digital currency. What do you do, not if, but when:

The internet is down

There is a power outage

The card reader malfunctions

Your phone battery dies or doesn't work for other reasons

WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:

Your phone is stolen

Your passwords are co-opted

Your credit/debit card strip is damaged – needs replacing

There are errors in relation to the quantum of \$\$ on your card

Gov't limits your purchases/CRA liens the balance on your card

AND MANY OTHER DANGERS

CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.

Suggestion:

Withdraw money on Saturday/Sunday from the bank or bank machine, and then leave your money at home if you are scared to carry it with you, and just carry the amounts of cash for each day's purchases for the week.

NO MORE CARDS!!!!

NO EXCUSES!

USE CASH \$\$\$\$\$\$\$\$\$\$

...

I bet they're using the bank run as a way of getting us into cashlessness. They'll say there's not enough cash to withdraw from banks, but we can still move stuff around digitally, because that won't cause a bank run.

And voila, instant cashless society.
CBDCs will soon follow.

***Make Business sized cards to hand out at all
your cash purchases!***

I paid cash today for a reason 😊

1. To PROTECT OUR PRIVACY
2. To SAVE this business money on transaction fees
3. To GIVE this business more control over their profits
4. To SUPPORT my local economy and community
5. To KEEP my purchases and location anonymous
6. To KEEP cash alive!

Using cash can be inconvenient...but what if it's worth it?
