"It Ain't Over"

Freedom activists are critical thinkers!

Our society is so dumbed down and indoctrinated that anyone who is a critical thinker is labeled as a Conspiracy Theorist

Did you know: The term 'conspiracy theorist' was first coined and used by the CIA to ridicule anyone who opposed the gov't narrative?

<https://nationalcitizensinquiry.ca/testimony/>

For the most complete evidence that was intentionally and conveniently omitted from all Federal Gov't studies/reports/committees.

Resistance Is Not Futile!

Kelowna Court Success

As many are aware, charges have been falsified against various leaders and volunteers in Kelowna from their participation in freedom rallies, opposing vaccination, and

other freedom related issues, with the political objective of scaring people away from opposing gov't tyranny.

Linda, one of our longest freedom volunteers, was charged with disturbing the solemnity of a meeting under s. 176(2) of the *Criminal Code*.

Despite having endured almost two years of legal hearings and personal sacrifice, and being falsely vilified in the local and provincial media and the RCMP, her determination, stamina and insistence upon her innocence has finally paid off.

On Nov. 28, 2023, the Crown, thankfully has made the correct decision and stayed the charge against Linda!!!

The trial, originally set for Dec. 4-7, 14, 15, and involving 11 witnesses, has now been cancelled!

David's judgments are set for Dec. 13 in Kelowna at 9:30 and Bruce's trial continues on Jan. 17 also in Kelowna at 9:30.

Please show your continued support for those on the front lines who have risked their freedom, for everyone's freedom!

Thank you, Linda for all your dedication and stick-to-itiveness for freedom!! And to Bruce and Leo for their continued assistance to her as well.

**Next Rally Date – Sat. Dec. 2, 2023 –
Stuart Park 12:00 noon**

NOTE:

If Stuart Park is used for Christmas events by the City – we will be next door at Kerry Park on Bernard Ave.

**Bring your messages of
Christmas hope, freedom and**

love, you wish to share from **the stage!**

Join us Dec. 16, 2023 at 12:00 p.m. for our street protest at the corner of Hwy 97 (Harvey Ave.) and Cooper St. in Kelowna.

We will be there for 60-90 minutes. There is plenty of parking in the parking lot, but it is suggested to park a fair bit away from the corner to avoid any complaints.

We will have signs, but urge everyone to bring their own signs on important issues such as:

15 minute prison cities

Dangers of digital Gov't currency and ID

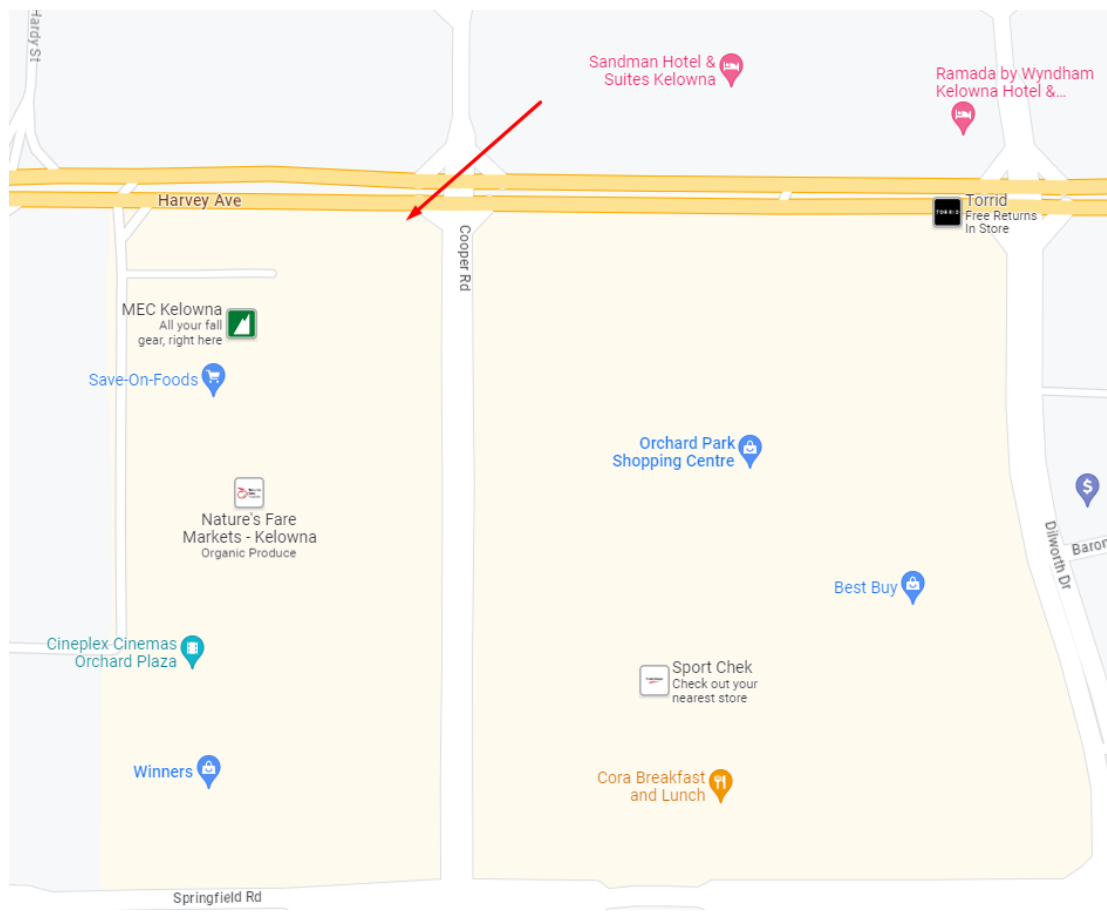

The ongoing COVID-19 vaccine/mask dangers

The fraudulent claim of man-made climate change

**The attack by all Gov'ts on freedom of expression
(including the City of Kelowna and Trudeau on the internet)**

The NCI (National Citizens Inquiry)

**The new BC Emergencies legislation
etc.**

Remember – the Gov'ts hate public visibility to their corruption. We need to be in the public eye at all times!

Falsified assault charge

Kelowna Courthouse

R v David Lindsay s. 266 Criminal Code Assault

**See you next Wednesday, Dec. 13, 9:30 a.m. at
the Kelowna Courthouse**

Judge Heinrichs will be ruling upon the merits of whether the Crown has proven beyond a reasonable doubt that I assaulted a lying security guard, whether the Attorney General's application to quash my RCMP

Constitutional Challenge is granted or not, and whether or not the Crown's application to have me cited for contempt of court should be granted.

I have recently filed my own application to have Crown Prosecutor David Grabavac cited for contempt of court for lying to the Court. Grabavac repeatedly told the Judge that there were only four (4) defences to an assault charge, when in fact there are five (5), which I was blessed enough to discover in my research.

He also lied to the judge because he withheld from her the fact that to prove an assault charge, he has to prove hostility or anger of some kind on my part. As the video of this incident verifies, there was no such anger, especially with two (2) police officers standing just feet behind me.

Grabavac is an decades long experienced lawyer and prosecutor who knows the law. He intentionally withheld this information from the Judge (who is a family lawyer, not criminal).

Judge Heinrichs, who is clearly biased in favour of the Crown from the beginning of this political show trial, has previously ruled that unless I give up all my financial privacy rights, she will not order the transcripts for my s. 11(b) Charter Jordan (delay) application to be produced. The SCC in *Jordan* ruled 18 months is the limit. The Judge, after erroneously quoting me as being at 21 months, when in fact it is 24 months, is permitting an unconstitutional prosecution to continue because of the costs of transcripts, which is further unconstitutional as constituting the selling of justice.

Please come down for all these judgments on Dec. 13, and hopefully to hear my own application to cite the Crown, Grabavac, with contempt of court as well.

<https://clearbc.org/david/>

Late last week, the City of Kelowna filed its response to my SLAPP application, along with supporting Affidavit of Bylaw Manager Kevin Mead.

These will be posted on our website shortly.

We have to do cross examinations of affidavits prior to January 17, 2024 and I will advise everyone when these will take place. To my knowledge, these are usually held in offices of lawyers, so it is unlikely that the public can appear, but I will keep everyone updated as to what happens.

All City of Kelowna documents and pleadings are now placed on our website for public viewing: <https://clearbc.org/city-of-kelowna/>

Do You Know What Civilization Jihad Is?

History has taught us that Islam and the West have never been able to coexist because Islamists have one goal in mind, world dominance. There are two types of Radical Islamist infiltrators. Both follow the teachings of the Quran and share a common hatred for Jews and the West and both aim to annihilate and subjugate non-Muslims. There are the Islamic groups/organizations who stealthily enter non-Muslim nations and take over from within, “the process of settlement is a Civilization Jihad”. These groups are very patient and willing to incrementally gain control by getting elected into all levels of government (political entryism), out-populate Westerners and push Sharia: [Halal \(Sharia\) products](#); [Sharia banking](#); [Islamic \(Sharia\) schools](#) etc. This group is also reported to secretly fund terrorism. The other group, Islamic Jihadists, are not so patient and they are the ones committing heinous crimes against non-Muslims throughout the Middle East and are responsible for the increasing number of violent offenses against citizens in all Western nations.

Both groups are supported in Western nations by Islamists who have gained citizenship under false pretenses, such as the Palestinians, who we see flooding our streets in support of the Hamas terrorists and calling for the decimation of the Jews.

To Note: Palestine is not a state. The Palestinians have rejected a “two-state solution” five times since the end of WWII and the Israelis handed them Gaza, leaving them a thriving infrastructure, which they destroyed. They have proven themselves untrustworthy in their alignment with Hamas (who they elected) and even surrounding [Arab nations](#) are not willing to take them in. [Learn more HERE.](#)

Thankfully Canadians are rapidly waking up because of these events. People who support Hamas terrorists and celebrate the mass genocide of children, women and unarmed civilians are not friends of Canadians and should be deported. What we are witnessing is the rapid onset of the destruction of Canada and the unfolding of the ‘Civilization Jihadists’ in action. We need to take this very seriously and do everything in our power to shut down all manifestations of Islam in Canada. This **MUST become an election issue.**

Israel Today, The West Tomorrow

Wednesday November 29, 2023 – Zoom Doors open at 4:30pm PST/7:30pm EST [Register in Advance](#)

A4C Orientation – 4:30pm PST. Tanya’s update – 4:45pm PST. Empower Hour guest segment 5pm PST/8pm EST.

Reverend Majed El Shafie, President and Founder of [One Free World International](#) (OFWI), joins Tanya Gaw to discuss the critical importance of the West supporting the people of Israel and taking a united stand against Islamic extremism. As Majed says, “What they do to the people of Israel today, they will do to us tomorrow”.

Rev. El Shafie travelled to Israel on a fact-finding mission to learn the truth about the unprecedented, vicious, and barbaric attack by Hamas on Israeli civilian communities near the Gaza Strip on October 7, 2023. He and the OFWI team are working on a new documentary, (Trailer: [“Anatomy of an Attack: The October 7th Massacre”](#)) that will provide the facts of the Hamas attack and the pursuit of justice. Are you aware that since Mohammed created Islam there have been ongoing battles to destroy God’s chosen nation and people? Israel is a tiny nation that is surrounded on all sides by Islamists countries. These countries once belonged to Christians but they were brutally taken by the Islamists. The Middle East was 95% Christian and it is now less than 6%. Do you happen to hear the UN or EU demanding they give the land back? That would be because a third of the UN seats are held by Islamists.

Islam is described as the fastest growing false religion in the world today and Western nations are finally waking up and understanding the real and present danger that Islam poses to the very existence of Western civilization. It is therefore critical that everyone understand how important it is for Israel to win this war against Hamas because if

they don't, it will send a message to Jihadists around the world that they may be victorious in taking down the rest of us.

BC Rising will strive to embrace the efforts and values of the nationwide Freedom Rising, with the intention to build connections across the province of BC and to focus on issues and initiatives specific to

BC. We are writing to invite you to join the BC Rising call this Wednesday to meet and discuss topics, strategies and initiatives across BC. Currently, this meeting is only for those who have received this invitation. In the future, once established, this may change.

ANOTHER PETITION TO SIGN

Petition to the House of Commons

Whereas:

4th DAY OF THIS PETITION AND ALREADY AT 53,431 SIGNATURES - KEEP GOING!!!!!!

We the citizens of Canada have lost confidence in Justin Trudeau and the Liberal/NDP coalition.

We call on the house for a vote of no confidence.

We ask for an election 45 days after the vote if won.

The current government elected is not acting in the best interest of all citizens.

The policies of this government aren't aligning with the crisis Canada is facing: housing costs, infringement of civil liberties, highest inflation in history, unbalanced immigration policies, taxation to the point of poverty, weakening of our economy by importing natural resources that Canada already has and under-utilizes; and

Based on the past eight years of this Prime Minister, Canadians do not have confidence in this Prime Minister, after five ethics investigations and Canada's reputation being tarnished on a global scale under his leadership. To the extent that Canada is being discluded from participating in statements regarding important geopolitical events.

We, the undersigned, citizens and residents of Canada, call upon the House of Commons to call for a vote of no confidence and a federal election 45 days following the vote.

The original reason CLEAR was founded was to expose the fraudulent usury (interest) based banking system. You should obtain a copy of the short book, USURY by Hilaire Belloc, as was as Billions for the Bankers, Debts for the People by Joe Thaugherberger. Understanding the fraudulent banking system is the fundamental key to opening up the knowledge of freedom.

Every single problem in societies the world over, is traceable back to the fraudulent money system.

Sunday Paper Deliveries

**Next delivery
day:
December 4,
2023**

(Weather Permitting)

Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day

Make sure you arrive before the designated time so we can all get going ASAP!

Every Sunday at 11:30 am

Dec. 4, 2023

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.

- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
 - Bring a large bag for carrying the papers if you want
 - Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
 - You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
 - We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
 - Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

- Sign up as a Volunteer to participate in one of the many focus groups we are working to organize. Most people are too busy to commit to fighting for freedom. I guarantee you will have plenty of extra time after Canada becomes a full-fledged communist country and your jobs & businesses are gone. Time to add freedom-fighting to your list of priorities. Much of the help needed can be done at home and even one hour per week will be helpful. Even if you don't want to join a specific group, maybe you have something you can offer to help out.
Let us know!

CASH IS KING – Use it or lose it – and your privacy

The dangers of digital gov't ID and currencies are here... you need to use cash as much as possible. As recognized by Freedom Rising, there are many inherent dangers of using digital currency. What do you do, not if, but when:

The internet is down

There is a power outage

The card reader malfunctions

Your phone battery dies or doesn't work for other reasons

WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:

Your phone is stolen

Your passwords are co-opted

Your credit/debit card strip is damaged – needs replacing

There are errors in relation to the quantum of \$\$ on your card

Gov't limits your purchases/CRA liens the balance on your card

AND MANY OTHER DANGERS

CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.

Suggestion:

Withdraw money on Saturday/Sunday from the bank or bank machine, and then leave your money at home if you are scared to carry it with you, and just carry the amounts of cash for each day's purchases for the week.

NO MORE CARDS!!!!

NO EXCUSES!
