"It Ain't Over"

Freedom activists are critical thinkers!

Our society is so dumbed down and indoctrinated that anyone who is a critical thinker is labeled as a Conspiracy Theorist

Did you know: The term 'conspiracy theorist' was first coined and used by the CIA to ridicule anyone who opposed the gov't narrative?

Resistance Is Not Futile!

IMPORTANT NOTE:

By now, almost everyone is aware of the recent Federal Court judgment in our favour on the *Emergencies Act* orders from the Trudeau Gov't. This is likely being appealed but that doesn't stop the fact that this decision is presently lawful and binding. I hope to chat more on this in our next newsletter having just finished reading it yesterday.

<https://www.canlii.org/en/ca/fct/doc/2024/2024fc42/2024fc42.html?resultIndex=1&resultId=6e2339263c1a4da7aee538086ebfe036&searchId=d917c1ba2fa94b1a85e0041235e734a6&searchUrlHash=AAAAAQAFbmFnbGUAAAAAAQ>

Pursuant to s. 6-8 of the B.C. *Limitations Act*, you have two (2) years from the date that you discovered (or reasonably ought to have known) the injury, loss or damage from the Federal Gov't in relation to its actions to freeze bank accounts and other actions in relation to the *Emergencies Act* orders.

This limitation is likely to apply on Feb. 14, 2024 – in two weeks. If your bank account was frozen or if you suffered damages, injury or loss, you need to look at getting your claim filed in the next two weeks. You may wish to possibly check to see who is required to be named on any such claim and the reasons for your claim, ie: torts, alleged to have been committed.

It is important to remember that bail is a common law and Constitutional right in Canada (s. 11(e) Charter: not to be denied reasonable bail without just cause.) Bail can only be denied pursuant to s. 515 of the *Criminal Code* on extensive grounds. People are released on murder charges, sexual assaults, and many other horrific crimes regularly across Canada – including many who have extensive criminal records. Many of these alleged offenders go out to commit other offences while on bail, constituting a large ‘catch and release’ program in Canada.

These four innocent men, having no criminal records, were alleged to have committed various offences under the *Criminal Code*. There were no victims involved. Everything is alleged only. They are presumed innocent until their trial at the end of May, 2024, by judge and jury. Keeping them in remand jail for two years is an injustice. They are only several of many people who have been criminally charged and have likely done nothing wrong except expose the Government’s COVID-19 tyranny upon us.

Judge Johnna Kubic, a Trudeau appointed judge has denied bail three times to Chris Carbert, and who it is claimed has donated to the Liberal Party 26 times!

The Crown is really opposing their release on political grounds only, ie: that these people opposed the COVID-19 unconstitutional lockdowns and restrictions, and are being punished to frighten off others from opposing further unconstitutional government restrictions on our rights and freedoms. There is no such recognized basis for denial of bail nor Crown opposition to bail being granted, on this basis.

In this case, the Crown has, improperly and in abuse of its powers, made the procedure to be the punishment, or large part of it, more so as these innocent prisoners are being held in various remand centres, which are notoriously known for their inhospitable environments, such that many innocent accused frequently plead guilty to avoid time spent in remand centres awaiting trials.

Note, that the RCMP were the first organized police force in the world to use agent provocateur tactics as far back as the 1919 Winnipeg General Strike.

They continue to use such tactics today.

They need our support.

Join us Feb. 15 at the **Kelowna Courthouse, Vernon Courthouse and Penticton Courthouse**, for rallies starting at 9:00 a.m., for the

morning. We will have brochures to hand out to people. Please feel free to make your own signs as well.

- *End of month fundraising campaign*
- *Let's get Canada talking about the Coutts Boys*

Just 36 hours left

Druthers needs to raise \$10,000 in the next day and a half. We just sent the February paper off to print and we aim to print at least 200,000 copies. Anything you can do to [help](#) is greatly appreciated and your contributions are wisely and efficiently used to print more papers and wake up more Canadians.

[>>> DONATE HERE <<<](#)

Or **etransfer** your contribution to admin@druthers.net and we will manually add it to the fundraiser.

Sneak Peek

Have a peek at the front page. The Coutts Four! It's time to get Canada aware of this situation and apply some pressure to get these political prisoners set free. Sitting in remand for 2 years without a trial is so wrong. Please help us print as many as we can of this important issue of Druthers.

This is one of my favorite papers so far. There is so much important news and information in these pages this month, I hope we raise enough to print 300,000 copies or more!

[PLEASE DONATE HERE](#)

**Stay strong!! And keep going.
We are winning.**

Shawn Jason & the Druthers Crew

Special Note: All donations dropped into the Druthers can at the Vernon rallies over the last three years goes directly and entirely to Druthers, averaging in between \$150 to \$200 per month. Thank you to everyone who donates at the Vernon rallies. Keep up the flow of donations for this worthy cause!

717 Days Locked Up Without Trial "Canada's Dirty Little Secret"

By Kyle Cardinal (The Truth Matters)

Presumption of innocence in Canadian Law
Bill of Rights: The burden of proof is on he who declares, not he who denies.

Charter of Rights and Freedoms: Section 11[d] protects the innocent in two ways.

1. Guarantees the right of any person charged with an offence to be presumed innocent until proven guilty beyond a reasonable doubt.

2. Guarantees that the process whereby the guilt of an accused will be proved, and will be fair.

Your right to be presumed innocent until proven guilty is fundamental to due process.

The average length of stay at any Remand Centre in Alberta (and across Canada) is from 18-30 days. As of February 1, 2024, the Coutts Four have been in Remand for 717 days without bail or due process.

Remand is the purgatory of the prison system where you are placed in a small cage to await a bail hearing before being processed and moved to a place that is more fit for human survival. Two years locked in one spot for an accusation cannot and should not be the way our legal system works! What these four courageous men are being put through is a form of torture and a human rights issue to the core. By default, their incarceration has deemed them Guilty Until Proven Innocent for their time already served. If proven innocent, this time will not be reimbursed.

Tony Olienick, Jerry Morin, Chris Carbert, and Chris Lysak are four political prisoners caught up in a ploy to justify Justin Trudeau and the Canadian government's unjustified (illegal) use of the Emergencies Act on February 14, 2022, used to subdue the peaceful protests that were happening all across Canada, including Coutts, Alberta, on the border of the United States. These protests took

For the Convoys of 2022, Canadians didn't choose the "any means necessary" approach. We did it peacefully, without violence. The only violence perpetrated was by the RCMP with their jackboots and billy clubs against peaceful protestors. Politicians on the mainstream news and in front page newspaper headlines divided the public with malevolent lies about the protestors, followed by the court's complacency in all the injustices!

So, here's where we are. The government has committed the worst crimes against its people, arrested those who tried to stop the crime, and are now holding them illegally.

Make no mistake, this is tyranny.

What is happening to these four men could have happened to anyone. They are normal people like the rest of us. They have families to look after and before their arrests, they were productive members of society. Even through all this torment, they continue to be optimistic.

Tony Olienick, 41, is an only child to his 81-year-old Mother Tessie. He has a gravel company, and has currently had to sell off most of his equipment to pay off his \$600,000 legal fees. Tony has never even had so much as a speeding ticket prior to being incarcerated for protesting the government's harmful mandates. He has severe issues with SIBO (gut health), which continues since being in remand without access to proper health care. Tony has written hundreds of letters to people who have written to him. **Please send a letter of hope.** Anthony Olienick (Tony), Inmate #2200620 Care of Medicine Hat Remand Centre, 874 Second Street SE, Medicine Hat, Alberta T1A 8H2 (givesendgo.com/GBDGG)

Jerry Morin, 42, has been making his living as a Lineman. He can tell you a story about being everywhere in his travels. He is a father of three children and married to his amazing wife, Jacklyn. Jerry loves to draw, so since his incarceration, he has used his art as a source of strength to get through this tragic experience he and his family are living through. Through his letters and updates you can see that Jerry has still retained his great spirit and love for life. **Please send a letter of hope.** Jerry Morin, Inmate

Sunday Paper Deliveries

Next delivery day:

February 4, 2024

(Weather Permitting)

Add your name to the delivery list and make sure to check your email on Sunday mornings for confirmation that our paper delivery will take place that day

Make sure you arrive before the designated time so we can all get going ASAP!

Every Sunday at 11:30 am

February 4, 2024

- Sign-up on the Newspaper Delivery list so that you get an email confirming the deliveries for each Sunday. With winter in mind, we will only do this if roads are bare and it's not snowing. The advantage of delivering this time of year is that nobody is hanging out in their front yards except for the odd snowman.
- We meet at the Capri parking lot between A&W and De Dutch Pannekoek House
 - Bring a large bag for carrying the papers if you want

- Grab a free small Kelowna mapbook that can help you get situated. Your cell phone will be tracking and tracing you. Learn how to read maps again
- You will be provided with a printed google map of the area you will be delivering to. Bring a yellow marker to indicate which streets you completed. You may run out of papers or you may end up with extra
- We ask that with every paper you deliver, you remove the inserts and place them in the mailbox in front or behind the paper. That way, someone who may hastily throw out the paper will still be forced to see each individual flyer
- Please deliver only one paper per mailbox, regardless if you have different papers (we usually have a combination of different papers and editions). Some houses may have up to 4 mailboxes; put one paper in each as they are for different tenants

The internet is down

There is a power outage

The card reader malfunctions

Your phone battery dies or doesn't work for other reasons

WE SUGGEST YOU CONSIDER THE FOLLOWING AS WELL:

Your phone is stolen

Your passwords are co-opted

Your credit/debit card strip is damaged – needs replacing

There are errors in relation to the quantum of \$\$ on your card

Gov't limits your purchases/CRA liens the balance on your card

AND MANY OTHER DANGERS

CLEAR has promoted the non-use of digital currencies and credit/debit cards as much as possible, for years.

Suggestion:
